### **Financial Policy**

Thank you for choosing Avondale Medical Center as your health care provider. We are committed to building a successful physician-patient relationship with you and your family. Your clear understanding of our Patient Financial Policy is important to our professional relationship. Please understand that payment for services is a part of that relationship. Please ask if you have any questions about our fees, our policies, or your responsibilities. It is your responsibility to notify our office of any patient information changes (i.e. address, name, insurance information, etc).

#### **Co-pays**

The patient is expected to present an insurance card at each visit. All co-payments and past due balances are due at time of check-in unless previous arrangements have been made with our billing coordinator. We accept cash, check or credit cards (Visa, MasterCard & American Express). Absolutely no post-dated checks will be accepted.

#### **Self-pay/Uninsured Accounts**

Self-pay accounts are patients without insurance coverage, patients covered by insurance plans in which our office does not participate, or patients without an insurance card on file with us. Self-pay patients will be required to make payment in full at the time services are rendered. Please keep in mind new patient appointments can range anywhere between \$120-\$198 and \$65-\$160 for established patients. This amount does not include any lab work or specialty testing that may be required. If you require any specialty testing please see our billing coordinator for our cash pay prices. Payment must be made prior to your appointment unless prior arrangements have been made.

It is never our intention to cause hardship to our patients, only to provide them with the best care possible and the least amount of stress.

#### **Missed Appointments**

AMC requires 24-hour notice of appointment cancellation. Appointments missed and are not previously canceled will be charged a fee of \$40.00 for regular office visits and \$75.00 for specialist appointments, which include Echoes, Stress Test, Ultrasounds and DXA (Bone density testing). This fee is not covered by your insurance plan and is your responsibility.

#### **AHCCCS Members**

**We are now required by new AHCCCS guidelines that all missed appointments must be reported to your health plan, along with any missed mandatory co-pays.**

#### **Returned Checks**

The charge for a returned check is \$35.00 payable by cash or money order. This will be applied to your account in addition to the insufficient funds amount. You may be placed on a cash only basis following any returned check.

#### **Workers' Compensation and Automobile Accidents**

In the case of a workers' compensation injury or automobile accident, you must obtain the claim number, phone number, contact person, and name and address of the insurance carrier prior to your visit. If this information is not provided, you will be asked to either reschedule your appointment or pay for your visit at the time of service.

#### **Information Regarding Your Insurance Coverage**

You must be informed of and understand the details of your health insurance coverage and fulfill any associated requirements (e.g., pre-certification, obtaining referrals, providing information regarding re-existing conditions etc.) It is also your responsibility to provide our office with all required information regarding your health insurance coverage. It is important that you promptly notify us if there are any changes to your insurance information. If any complications arise during the billing process, you have an obligation to

promptly provide assistance and information to our billing office (internal and or external) and if your failure to timely provide this information or assistance results in a denial of coverage, you may (in certain circumstances) become personally responsible for paying for the services.

**Non-Participating Provider or Non-Covered Benefits**

If we do not participate with your health insurance carrier, or if the services provided are not covered under your participating health insurance plan, then you are responsible for paying for all services at the time of your service. If you would like us to do so, we can (upon your request and full payment) provide a statement for your records and/or reimbursement purposes. (Please note: In certain rare circumstances-and in our sole discretion-we may directly bill your insurance carrier as out of network provider in lieu of accepting payment directly from you and if we do so, you agree to assign your payment rights to our office and forward us any checks you receive relative to the services we have provided to you).

**Outstanding Balances**

All outstanding balances shall be due within 30 days; unless we have agreed to other payment arrangements in writing, it is important that you pay all past due balances in full prior to or at the time of your visit. Balances that remain outstanding for a period of 90 days or more may be referred to a collection agency or attorney's office. If your account is referred to a collections agency, you will be responsible for paying a collection charge equal to 35% of your outstanding balance, which is an addition to your outstanding balance and any applicable interest.

**Release of Medical Records**

Medical records recreated by our office shall be released pursuant to your express written authorization in accordance with HIPPA. Patients requesting copies of medical records will be charged \$1.00 per page. Attorneys and Insurance companies will be charged \$1.00 per page plus shipping and handling. AMC will have up to 30 days to produce your records.

A special handling fee of \$10.00 will be charged if records must be delivered within 48 hours of the request, in addition to the above mentioned fees. All recipients of med records must have patients' written consent from the patient prior to records being released.

**Miscellaneous Fees**

Certain services (e.g., family conferences, completing forms, producing narrative reports, personal letters, etc.) may entail additional fees. Prior to requesting any such services you should request a copy of our miscellaneous services fee schedule.

*This financial policy helps the office provide quality care to our valued patients. If you have any questions or need clarification of any of the above policies, please feel free to contact us.*
